

## The Beauty Stone

by Arthur Wing Pinero and J. Comyns Carr

Total running time: 02:55:42

*The Beauty Stone* is not a usual Pinero play. Gilbert and Sullivan had stopped collaborating, and so Pinero – at the height of his very successful career – and a lyricist named Comyns Carr teamed up with Sullivan to prepare this "romantic musical drama in three acts". It resembles the Faust legend and features a magic stone that enhances the appearance of its wearer. The setting is a medieval village and castle. This audiobook does not include Sullivan's music.
